- 130,000 sq.mtrs.

**A Vertically Integrated Supplier**

## UK Labels Joins the Fortoak Family – Expanding Label Excellence

UK Labels is a leading UK-based manufacturer of high-quality self-adhesive labels, trusted by trade professionals for over 35 years. Specialising in both sheet and roll formats, UK Labels supports a wide range of industries with custom label solutions—offering up to six-colour print, thermal, laminated, and hot foil options. Operating from a purpose-built manufacturing facility in Oldbury, West Midlands, the company runs seven production lines and serves a network of over 300 trade-only clients. (UK Label Converting Ltd trading as UK Labels)

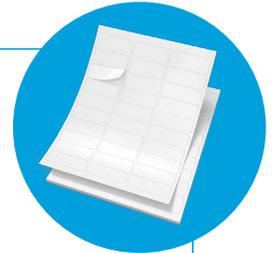

Known for its speed, flexibility, and commitment to service excellence, UK Labels continues to set industry benchmarks in precision and turnaround. Now part of the Fortoak Group, the company is well-positioned to scale its capabilities while staying true to its core values: reliability, responsiveness, and trade-only focus.

# Testimonials

Super quick service and really good prices on products, we changed suppliers as the prices were so much cheaper. Friendly and helpful staff. Would highly recommend.

Great efficient service and prompt deliveries, just what you need! Isobel in sales is always so friendly and helpful.

Fortoaks support team extremely helpful, processed orders on time and have been pro-active in ensuring that we do not run out of stock on lines that are essential to us. Great service from Fortoak.

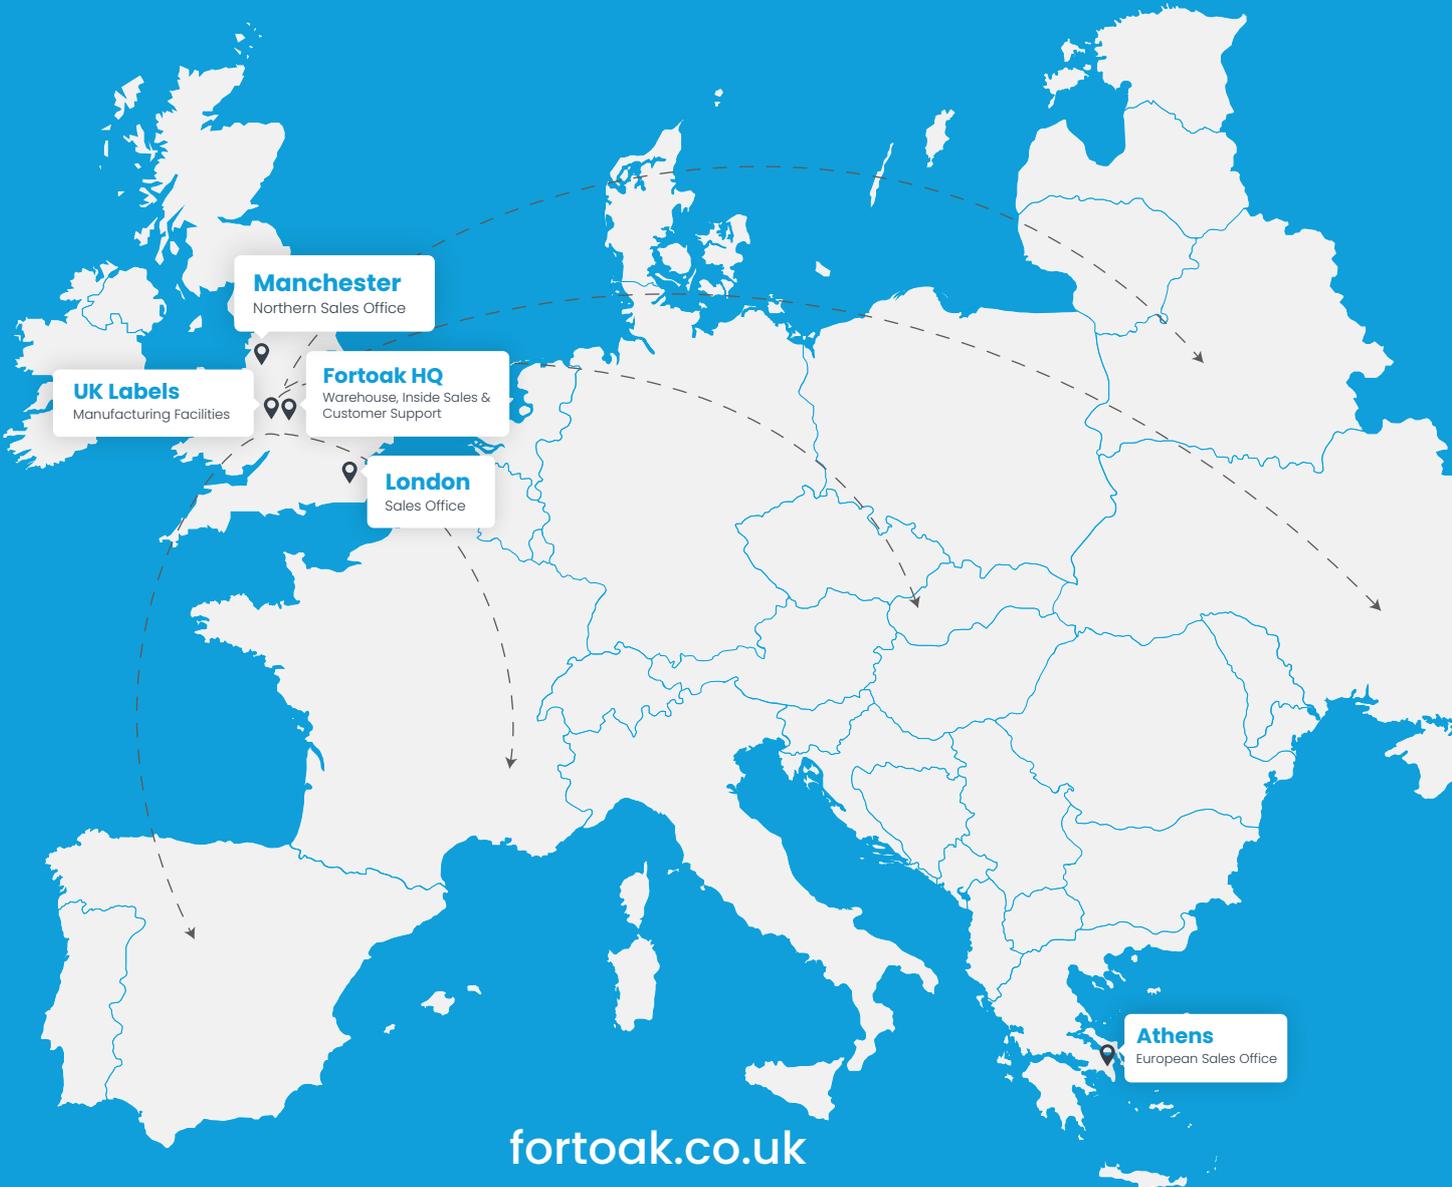

Been using Fortoak for many many years. Always there at the end of the phone to help you and no other supplier has managed to beat their prices. Knowledgeable staff are always happy to help with enquiries, even when I'm not entirely sure what I'm asking.

I am really happy with the service and prices from Fortoak Limited at the moment. I really, really could not be happy enough. I love selling till-roll. This is what I live for. I wake up every morning, dreaming of those glorious orders, with some much profit for me. If it wasn't for Fortoak, I honestly don't know what I'd do.

Overall, Fortoak is a reliable and efficient company that I would highly recommend to anyone in need of their products and services. They have certainly earned my trust and future business! Special shoutout to Isobel from their customer support team, who always helps with my orders in a friendly and efficient manner.
