

LINERLESS LABELS

MORE LABELS. LESS WASTE. MORE EFFICIENCY.

High-performance linerless labels for retail, food, logistics, e-commerce and manufacturing.

Labels without the traditional backing liner, helping you reduce waste, increase roll capacity and improve labelling efficiency.

WHY LINERLESS?

MORE LABELS PER ROLL
Fewer roll changes.
Less downtime.

LESS WASTE
No backing liner to
remove or dispose of.

LOWER STORAGE
More labels per roll means
less space required.

LOWER TRANSPORT COSTS
Higher roll yield means fewer
rolls to move and store.

FASTER APPLICATION
Ideal for high-volume and
automated labelling.

FLEXIBLE LENGTHS
Cut-to-length labels for
different applications.

THE RIGHT ADHESIVE FOR YOUR APPLICATION

ACRYLIC

- Long-term performance
- UV & ageing resistant
- Moisture & chemical resistant
- Reliable across varying temperatures
- Ideal for food, retail, logistics & product identification

HOTMELT

- High initial tack
- Excellent adhesion to corrugated & recycled materials
- Fast bonding
- Suitable for rough or difficult surfaces
- Ideal for shipping, e-commerce & warehouse applications

CHOOSE YOUR ADHESIVE COATING

100% FLOOD COATED

Full adhesive coverage for strong, secure adhesion.

TRAM-LINE COATED

Precision adhesive strips designed to minimise adhesive bleed while maintaining performance.
